

*I don't have anything at
suppose I give everything I have to pro-
people. And suppose I give my body to be
burned. If I don't have love, I get nothing
at all. Love is patient. Love is kind. It
does not look out for its own interests. It
does not easily become angry. It does not
boast about other people. Love
always speaks the truth. It always
trusts. It always
never gives up. Love never
goes away.
Love never fails.*
